

Marina makes a Splash

Stylish new desktop aquarium is great for homes or offices

MONTREAL, Canada – February 18, 2013 – Rolf C. Hagen Inc.'s Marina aquatic brand is proud to introduce Marina Splash, an attractive desktop aquarium designed to add aesthetic flair to a variety of indoor settings.

Good-looking aquatic showpiece

Contemporary-looking and elegantly-styled, Marina's new 15-litre aquarium is an ideal fit (only 38 x 44 x 23 cm in size) for countertops, desks and pedestals, making it a good-looking addition to homes or offices.

The aquarium's unique oval shape is designed to enhance your visual experience by providing an inspiring aquatic showcase with a clear and unobstructed view.

Includes LED lighting, pump & filter

To further increase aesthetics, the aquarium has integrated LED lighting with two settings: bright daytime setting and deep blue nighttime mode.

It also includes a pump and filter that provide efficient water circulation and filtration, ensuring that your fish enjoy a healthy aquatic environment.

Three setup options

You can set up the aquarium as a cold, temperate or tropical environment. A heater (sold separately) can be installed in the housing unit.

Suggestions for choice of fish are listed on the box. The aquarium also comes with a biological aquarium supplement and water conditioner.

Splash is part of Marina's growing family of innovative and exciting desktop aquariums that also includes Marina 360° and Marina Betta Kits, all made and distributed by Rolf C. Hagen Inc.
